An impressive, eco-friendly and sustainable country estate imbedded in a breathtaking and peaceful Mediterranean landscape.

The constructed area of 985 m2 is divided into 610 m2 living area and 448 m2 terraces. The country house has 6 spacious bedrooms with en-suite bathrooms, a big open kitchen and a large living area, which is situated in the center of the house.

4 bedrooms are situated in 2 wings and the master bedroom and another big bedroom are on the first floor, overlooking the pool and garden.

The estate is fully furnished and equipped with a tailor made kitchen, heating and air condition. Every detail and every piece in this house is carefully chosen with the vision to create a modern and comfortable home, which fulfills a dream of a contemporary and soulful home in unique scenery.

The land of approx. 35.000 m2 located only 20 minutes away from Palma and airport offers a beautiful nature, which is partly arranged as garden with spacious lawns and typical olive, almond, lemon and orange trees.

The 15m long pool with terraces on different levels is the spectacular "heart" of the whole country estate.

The state disposes of enough ground to grow wine, or to keep horses. The 360° views lead you over an unspoiled, peaceful countryside and gentle hills, even though, the beautiful little village Porreres is in the direct neighborhood.

Privacy, nature, views, silence – combined with all amenities for a modern lifestyle.
