This magnificent complex situated in Na Burguesa, in the highest part of Genova, is in its last construction phase. It is divided into two blocks with six apartments each sharing a large community pool, garages and storage rooms. There are three lofts of 4 bedrooms, two duplex apartments of 4 bedrooms, two apartments of 4 bedrooms and five apartments of 3 bedrooms.

The ground floors have a small private garden. The prices start at 2,5 Million and the living surfaces range from 147 m2 plus 30 m2 of covered terrace to 208 m2 plus 34 m2 of covered terrace and 228 m2 of open terraces. All apartments have included two parking lots in the garage and a storage room. Each block has its own lift. The development has a fully furnished and decorated pilot apartment, which of course demonstrates very well the high-quality materials and the panoramic sea views.

The location of these luxury apartments for sale in Genova is also very practical: in just five minutes by car you reach the centre of Palma, but also at the luxury port of Portals with its shops, bars and restaurants. Being in the community, however, it is very peaceful as it is situated in a quiet street, a little away from the centre of Genova.
